

5 DAYS

Online National Faculty Development Programme

Sustainable Architecture: Embracing Renewable Energy & Sustainable Practices

**18th - 22nd March 2024 | Online | Duration : 15 Hrs programme
(3hrs per day, 14.30 to 17.45)**

School of Art and Architecture, Sushant University, Gurugram in association with Council of Architecture Training and Research Center, Pune (COA-TRC, Pune) is organizing a 5-day National Online Faculty Development Program on Sustainable Architecture: Embracing Renewable Energy and Sustainable Practices. The program is designed to introduce the various forms of renewable energy to the faculty of architecture and research scholars so that it can be incorporated within the education curriculum.

The program covers topics such as solar energy, wind energy, biomass energy, geothermal and futuristic technologies like green hydrogen. Participants will also have the opportunity to learn about the design and implementation of renewable energy systems. It will cover effective teaching-learning practices. It will provide a comprehensive understanding of the subject from an academic perspective, while exploring the industry, employment and research Point of view

Registration Fees:

Rs.1500/- (Rupees Fifteen Hundred only)

Registration Ends:

Sunday, 14th March 2024, 6:00PM
